*Additional Lyric*

So—long—  
 I don't want to see you go,  
 But you had better  
 Go now.  
 Go now, Go now,  
 Go now.  
 Don't you even try—to tell me  
 That you really want to see it end this way  
 'Cause darlin'—darlin'—  
 Can't you see—I want you to stay.
