Are You Burning, Little Candle? (a love song to children)

Are you burning, little Candle high upon the Christmas tree?
Symbol of a new beginning, faith... hope... sweet release

Remind us...

Of the childrens' faces full of wonder and surprise
Of the laughter in their voices, the sweetness in their eyes
When they wake up in the morning with the feeling in their heart
That there's joy in the air and they know that they're a part
Shine your light on me, little Candle

Are you shining, little Star shining in the skies above?
Lift us up into the heavens symbol of the light of love

Are you watching, little Angel high above the Christmas tree
Angels all around the world, hear us as we pray for peace

Remind us...

Of the childrens' faces full of wonder and surprise
Of the laughter in their voices, the sweetness in their eyes
When they wake up in the morning with the feeling in their heart
That there's joy in the air and they know that they're a part
Shine your light on me, little Star

Are you spinning, little Dreidel, spinning tales of long ago?
Spinning past the little cradle, tell us what we used to know

Remind us...

Of the childrens' faces full of wonder and surprise
Of the laughter in their voices, the sweetness in their eyes
When they wake up in the morning with the feeling in their heart
That there's joy in the air and they know that they're a part

(Instrumental)

Are you listening, little Pine Tree silent midst the glistening snow?
Symbol of the forest stillness, deep the joy that man can know

Are you watching, little Angels high above the world tonight?
Angels all around the world, guide us with your love and light

Are you singing, little Children, singing loud and strong and clear?
Singing all around the world, sing it loud so we can hear

Remind us...

Of the childrens' faces full of wonder and surprise
Of the laughter in their voices, the sweetness in their eyes
When they wake up in the morning with the feeling in their heart
That there's joy in the air and they know that they're a part
Shine your light...oh, shine your light...
Shine your light on me
Little Candle, Little Star
Little Angel, Little Children
Shine your light on me
