

Paghahandog

Everything is gift. This song continues to remind me of that. I wrote the song in 1984, during my thirty-day retreat at the Sacred Heart Novitiate. Of all the songs I have written, this is the only one made without the aid of any musical instrument. It came to me as I prayed in the chapel, a meditation of gratitude for God's abundant blessings.

Until now I am convinced that it is not my song. I am but a steward of the song. The song itself is a "*biyayang aking inampon.*"

So is everything we have—our lives, our loved ones, our joys, our sufferings, our talents, our inabilities. Everything is gift. And everything returns to the Giver.
