

I'm still here

Verse

G C G
I am a question to the world

C G
Not an answer to be heard

C Em D C
Or a moment, that's held in your arms

G C G
And what, do ya think you'd ever say?

C G
I won't listen anyway

C
You don't know me

G Em D C G C
And I'll never be what you want me to be

(same as first)

And what, do you think you'd understand?

I'm a boy, no, I'm a man

You can't take me, and throw me away

And how, can you learn what's never shown?

Yeah you stand here on your own

They don't know me, cause I'm not here

chorus

G C G
And I want a moment to be real

C G
Wanna touch things I don't feel

C Em D C
Wanna hold on, and feel I belong

G C G
And how, can the world want me to change?

C G
They're the ones that stay the same

C Em D C
They don't know me, cause I'm not here

verse

And you, see the things they never see
All you wanted, I could be
Now you know me, and I'm not afraid

And I, wanna tell you who I am
Can you help you be a man?
They can't break me
As long as I know who I am

chorus

Em7 Am7 C
They can't tell me who to be
(*played after the C)
