Chocolate Rain
Seldom mentioned on the radio
Chocolate Rain
Its the fear you leaders call control

Chocolate Rain
Makes the best of friends begin to fight
Chocolate Rain
But did they know each other in the light?

Chocolate Rain
Dirty secrets of economy
Chocolate Rain
Turns that body into GDP

Chocolate Rain
'Cross the world and back its all the same
Chocolate Rain
Angels cry and shake their heads in shame

Chocolate Rain
Worse than swearing worse than calling names
Chocolate Rain
Say it publicly and you're insane

Chocolate Rain
Every February washed away
Chocolate Rain
Stays behind as colors celebrate

Chocolate Rain
The bell curve blames the baby's DNA
Chocolate Rain
But test scores are how much the parents make

Chocolate Rain
Lifts the ark of paradise in sin
Chocolate Rain
Which part do you think you're 'livin in?

Chocolate Rain
No one wants to hear about it now
Chocolate Rain
Wish real hard it goes away somehow

Chocolate Rain
The same crime has a higher price to pay
chocolate Rain
The judge and jury swear it's not the face

Chocolate Rain
'Flippin cars in France the other night
Chocolate Rain
Cleans the sewers out beneath Mumbai

Chocolate Rain
More than 'marchin more than passing law
Chocolate Rain
Remake how we got to where we are.

(Chorus)
