1. Christ is our peace, Christ is our health,  
2. Peace in your mouth, peace in the hands,  
3. Who work for peace find the true wealth,

he the true Word, his the true wealth—  
o - pen to truth, to love's de - mands:  
who heal the hurt find their own health—

gifts to be shared by the sim - ple and poor:  
those who would go with Christ al - so must bleed—  
peace will flow on through the hearts that be - lieve:

peace in your land, peace at your door.  
bright is the flower, burst is the seed.  
this may we know, thus may we live.

1. Christ is our peace,  
Christ is our health,  
he the true Word,  
his the true wealth —  
gifts to be shared by the simple and poor:  
peace in your land,  
peace at your door.
  
2. Peace in your mouth,  
peace in the hands  
open to truth,  
to love's demands:  
those who would go with Christ also must bleed —  
bright is the flower,  
burst is the seed.
  
3. Who work for peace  
find the true wealth,  
who heal the hurt  
find their own health —  
peace will flow on through the hearts that believe:  
this may we know,  
thus may we live.
