## Verse

1. + 3. Catch a fall - ing star and  
2. Lone - ly - ness a road and I

mf

C C F C

tell me you love me, say you love me, tell me you love me.  
left far be - hind me, far be - hind me, so far be - hind me.

G F C F C

Hold it in your hand and say that you need me, the words I wan - na hear.  
Hap - pi - ness comes in my life if you want me, so give it all to me.

F C G C

Do you wan - na stay, my love, do you wan - na stay, my love, un - der - neath the stars a - bove?

Am G

Refrain

San - ta Lu - - ci - a by night, - ro - man - tic feel - ings un - der  
- ci - a by night, - sail on the wings of love when

Am G7 C F

the star - ry light. - No more wor - ries, no more trou - bles to care, - it's  
you hold me tight. - There's a place for you and I in this time, - if

G Dm7 G7

love that we share, - it's 1. love that we share. - San - ta Lu -  
you will be mine, - if

C G Am G7

2. you will be mine. - Come and sing this hap - py me - lo - dy,  
Lis - ten to the mu - sic of your heart,

C F

1. sing it with your soul, it makes you free. 2. in the I - ta - lian night we can be al - right.

C F C G C G

San-ta Lu - ci - a by night, -

'o - man-tic feel-ings un - der the star-ry light. -

*mf*

G Am G7 C F C G

No more wor-ries, no more trou-bles to care, -

it's love that we share, - it's

Dm7 G7

love that we share. -

C G7 C

*D. S. Verse ohne Wiederholung al*

No more wor-ries, no more trou - bles to care, -

it's love that we share, - it's

C G4 C G7

love that we share. -

In the morn - ing till the night.
