About the artist

I was raised in Indiana. I attended Austin Peay and Indiana State Universities and graduated with a Bachelor's degree in music education. I played professionally in Houston, Tx for nearly 20 years, before starting a teaching business, which I have done now for 16 years.

I had a few children's pieces published in the "Hymns I Know" series by Kjos Publishing Co. Now I enjoy writing instrumental music and arranging serious pieces and hymns in public domain for myself and my students. I would be glad to take orders to do custom arrangements, but only of pieces in public domain. (publish date before 1922)

I have found several of my arrangements being offered at other web sites. I would be glad for you to link your site to this one, but please do not post my work for download at another site. Thank you.
