Verse 2:

Now your pictures that you left behind
 Are just memories of a different life
 Some that made us laugh, some that made us cry
 One that made you have to say goodbye.

What I'd give to run my fingers through your hair
 To touch your lips, to hold you near
 When you say your prayers
 Try to understand, I've made mistakes, I'm just a man.

When he holds you close, when he pulls you near
 When he says the words you've been needing to hear
 I'll wish I was him, 'cause those words are mine
 To say to you till the end of time.
