Intro **B B9 B B9**

>VERSO 1

**B B9**

You took my hand

**B**

You showed me how

**B9 C#m**

You promised me you'd be around

**Abm**

Uh huh

**F#**

That's right

**B B9**

I took your words

**B**

And I believed

**B9**

In everything

**C#m**

You said to me

**Abm**

Yeah huh

**F#**

That's right

>REFRÃO

**E F# Abm**

If someone said three years from now

**B**

You'd be long gone

**E F# Abm**

I'd stand up and punch them up

**B**

Cause they're all wrong

**E F#**

I know better

**Abm B**

Cause you said forever

**E**

And ever

**F#**

Who knew

**B B9 B B9**

>VERSO 2

**B B9 B**

Remember when we were such fools

**B9 C#m**

And so convinced and just too cool

**Abm**

Oh no

**F#**

No no

**B B9 B**

I wish I could touch you again

**B9 C#m**

I wish I could still call you friend

**Abm F#**

I'd give anything

>REFRÃO 2

**E F# Abm**

When someone said count your blessings now

**B**

For they're long gone

**E F# Abm**

I guess I just didn't know how

**B**

I was all wrong

**E F#**

They knew better

**Abm B**

Still you said forever

**E**

And ever

**F#**

Who knew

**B B9**

**B B9**

Yeah yeah

**C#m Abm**

I'll keep you locked in my head

**F# B**

Until we meet again

**B9**

Until we

**B B9**

Until we meet again

**C#m Abm**

And I won't forget you my friend

**F#**

What happened

>REFRÃO FINAL

**E F# Abm**

If someone said three years from now

**B**

You'd be long gone

**E F# Abm**

I'd stand up and punch them out

**B**

Cause they're all wrong and

**E**

That last kiss

**F#**

I'll cherish

**Abm B**

Until we meet again

**E**

And time makes

**F#**

It harder

**Abm B**

I wish I could remember

**E**

But I keep

**F#**

Your memory

**Abm B**

You visit me in my sleep

**E**

My darling

**F#**

Who knew

**B B9**

**B9**

My darling

**B B9**

My darling

Who knew

**B B9**

My darling

**B**

I miss you

**B9**

My darling

**B**

Who knew

**B9 B**

**B9 B**
