Additional Lyrics

Rap2

You ever love somebody so much
 You can barely breathe
 When you're with them
 You meet
 And neither one of you
 Even know what hit 'em
 Got that warm fuzzy feeling
 Yeah them chills
 Used to get 'em
 Now you're getting fucking sick
 Of looking at 'em
 You swore you've never hit 'em
 Never do nothing to hurt 'em
 Now you're in each other's face
 Spewing venom
 And these words
 When you spit 'em
 You push
 Pull each other's hair
 Scratch, claw, bit 'em
 Throw 'em down
 Pin 'em
 So lost in the moments
 When you're in 'em
 It's the rage that took over
 It controls you both
 So they say it's best
 To go your separate ways
 Guess that they don't know ya
 Cause today
 That was yesterday
 Yesterday is over
 It's a different day
 Sound like broken records
 Playin' over
 But you promised her
 Next time you'll show restraint
 You don't get another chance
 Life is no Nintendo game
 But you lied again
 Now you get to watch her leave
 Out the window
 Guess that's why they call it window pane

Rap3

Now I know we said things
 Did things
 That we didn't mean
 And we fall back
 Into the same patterns
 Same routine
 But your temper's just as bad
 As mine is
 You're the same as me
 But when it comes to love
 You're just as blinded
 Baby please come back
 It wasn't you
 Baby it was me
 Maybe our relationship
 Isn't as crazy as it seems
 Maybe that's what happens
 When a tornado meets a volcano
 All I know is
 I love you too much
 To walk away though
 Come inside
 Pick up your bags off the sidewalk
 Don't you hear sincerity
 In my voice when I talk
 Told you this is my fault
 Look me in the eyeball
 Next time I'm pissed
 I'll aim my fist
 At the dry wall
 Next time
 There will be no next time
 I apologize
 Even though I know it's lies
 I'm tired of the games
 I just want her back
 I know I'm a liar
 If she ever tries to fucking leave again
 I'mma tie her to the bed
 And set the house on fire
