Verse 2:  
 Hello? Do you miss me?  
 I hear you say you do,  
 But not the way I'm missing you.  
 What's new? How's the weather?  
 Is it stormy where you are?  
 You sound so close,  
 But it feels like you're so far.  
 Oh, would it mean anything  
 If you knew what I'm left imagining  
 In my mind, in my mind.  
 Would you go, would you go...  
 (To Chorus:)
