START

CHRIS

Megan?!

MEGAN

Guys, this is my boyfriend, Joe.

JOE

I sort of prefer Joseph, but whatever.

NATO

(to MEGAN)

Were you raped by the devil?

MEGAN

I don't know, man. My mind has been blown and my body has been opened up and... you know when you take a hit of Rush or Devil Red and you just feel like there is fucking lightening in your fucking brain? You know when you feel like there's lightening in your fucking brain, man?!

JOE

She actually scares me sometimes, too.

BRANDON

(off-stage)

Chris, we're up next, c'mon, Megan!- you look smoking.

MEGAN

Tell me about it, Stud.

JOHN

Wow, quoting “Grease” is so punk-rock.

MEGAN

Shut up, Pube Sucker. Chris, I wanted to wish you guys Good Luck. I know you've come a long way and I'm proud of you. And I love you. Man. Now go out there and fucking tear those fucking pussy-twats a new fucking asshole and reaffirm our belief in the transformative coolness of God Damn Mother Fucking Rock and Roll Music! Boo-Yeah!

(The guys cheer. Black Out.)
