## CIRIBIRIBIN

## CANZONE

Italian words by  
C. TIOCHET

## I.

*Lei-* Su, finiscila coi baci  
bel moruccio birichin!  
E non vedi tu la luna  
che dal Ciel fa capolin?

*Lui-* E se pur la luna spia,  
noi lasciamola guardar;  
anzi, il pallido suo raggio  
ci consiglia a seguitar!

*Lei-* Ma poi...chissà...?  
Cosa dirà...?

*Lui-* Eh! via...dirà:  
Ciribiribin...

*Insieme:* Ciribiribin, che bel faccin,  
che sguardo dolce ed assassin!  
Ciribiribin, che bel nasin,  
che bei dentin, che bel bocchin!

## II.

*Lei-* Se la mamma poi sapesse,  
ch'io sto qui nel giardin...  
non lo sai che le sgridate  
non avrebbero pfu fin?

*Lui-* Se la mamma tua sgrida,  
noi lasciamola sgridar,  
che pensando ai tempi suoi  
ci vorrà ben perdonar!

*Lei-* Ma poi...chissà...?  
Cosa dirà...?

*Lui-* Eh! via...dirà.  
Ciribiribin...

*Insieme:* Ciribiribin, che bel faccin,  
che sguardo dolce ed assassin!  
Ciribiribin, che bel nasin,  
che bei dentin, che bel bocchin!

## III.

*Lei-* La padrona poi l'è grama,  
se' l sapesse...patatrae!  
Son sicura, all' indomani,  
mi farebbe alzare il frac!

*Lui-* Ma se lei ti manda via,  
senza opporti, lascia far!  
Tu verrai a casa mia,  
e la ci potremo amar!

*Lei-* Ma poi...chissà...?  
Cosa dirà...?

*Lui-* Eh! via...dirà:  
Ciribiribin...

*Insieme:* Ciribiribin, che bei faccin,  
che sguardo dolce ed assassin!  
Ciribiribin, che bel bocchin,  
fammi un *basin*, Dio Bambin!

## INTRODUCTION

1. I am wait-ing here for . you, love, — As the gen-tle breez-es  
night is made for love, — Under-neath a ma-gic

sigh, — Watch-ing shad-ows of the ev-'ning — As they fall a-cross the sky. — I have  
moon, — While the sil-ver stars a - bove — Shine up-on the dark la-goon — All too

come to see the love-light — In your danc-ing eyes of blue, — And to hear you  
swift-ly comes the dawn-ing, — When a - las, we two must part, — And I hold you
